

## MODEL | THE RILEY

### *Gracious living grounded in tradition, redefined for the future.*

The Front Light Building Company is dedicated to building houses with top-quality construction standards and creating living environments that promote healthy, meaningful and engaging lifestyles. We build in locations selected for their capacity to foster a sense of place and community, which also provide convenient access to amenities and recreational resources. Our top priority is to serve our clients' needs through our commitment to craftsmanship, quality and community.
